

INFORMATION FOR NEW MEMBERS

Website

The website has a “Members menu” which requires a valid login. Once the membership officer has processed your application and the membership fees have been received by the club, you will be given the current login details to gain access to this area.

Members enjoy access to the club shop, teaching notes for your induction, GPS files to show you where some of our favourite spots and tracks are, news and information and a list of current club members and their contact information.

Forum

The Brisbane 4wd Club also has a web-based forum which can be accessed using the Social Links button on the lower banner of each website page. It can also be accessed by navigating to www.brisbane4wdclubforum.org

The forum requires its own login details, so new members should head to the forum and click “Register”. From there, you choose a username and a password, enter your location and answer a simple question to prove you are not a spam robot. Once complete, click “Submit”.

You will receive an email from the webmaster asking for your real-world name so it can be checked against the club records, and once processed, your access will be granted.

Facebook members group

Current financial members also enjoy access to our member’s only Facebook group. Navigate to <https://www.facebook.com/groups/795741357143813/> and click “Join Group” The webmaster will then receive your request and will then check your details against the clubs membership records. Provided you are a current, financial member, your approval will be granted and you will be able to access the group.

Other Social links

On the lower banner of each website page, you will see links to the club Facebook sites and Twitter feeds. These are the public pages of the club and will contain updates and news items pertaining to our club, relevant entities and 4wd driving in general. You can “Like” the Facebook page and “Follow” the Twitter feed to ensure you receive any updates or notifications.

You can also view the club Facebook page here -: <https://www.facebook.com/Brisbane4wdClub>

and our Twitter feed here - <https://twitter.com/Brisbane4wdClub>
